One is more suitable for families, the second one is the set from our church nativity set. The knitted family one, will return to church at the Crib service on Christmas Eve. It would be nice for both sets to return to church on Sundays and be passed along in the service. Please consider being involved this year and sign up on the sheet at the back of church.

On Sunday 28<sup>th</sup> October, several words from God were given. We are continuing to pray about these words and how we respond to them.

We are an extraordinary people, we are not to blend into to the background, we need to be seen, many things are happening which we can see aren't good, we are the ones who can change things if we don't disappear into the background but allow ourselves to be seen.
